25X1 SUBJECT: [REDACTED] Weekly Report - 28 November 1983

25X1 h. Repaving Project: Inclement weather, excess water and wet soil are hampering efforts to continue work on the second stage of the repaving projects. [REDACTED]

25X1 i. OC Repair and Return Facility: Structural steel was received and erected and 30% of the steel decking installed. Remainder of the decking will be installed during the week of 28 November 1983. As a result of the above activity, personnel traffic is now being directed through the Small Purchases Section office area as a safety precaution. [REDACTED]
